Tuesday 9th October

IM Andrew Greet Simultaneous Display

On Tuesday 9th Oct, Fresh back from the Olympiad in Georgia, Andrew will take on all comers in his annual simultaneous display. Andrew was caught out in nice attacking games by Jeff and Rob last year (he'll be out for revenge), and finally ground Stuart down close to midnight; how many points can we get off him this year? The simultaneous will start around 7:45. Andrew will also give a simultaneous for our younger junior section at 6:30. There will probably be best game prize
